MEDICINAL.

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

So uniformly successful has Dr. Pierce's Favorite Prescription proven in all forms of Female Weakness, Prolapsus, or Falling of Womb, and Leucorrhoea, that after over a third of a century's experience in curing the worst cases of these distressing and debilitating ailments, Dr. Pierce now feels fully warranted in offering to pay \$500 in cash for any case of these diseases which he cannot cure.

IT STANDS ALONE.—The "Favorite Prescription" stands alone, as the one and only remedy for these distressing conditions. The undersigned proprietors of that wonderful remedy hereby go, to pay the sum of \$500 in legal money of the United States in any case of the above diseases in which after a fair and reasonable trial of our treatment, we fail to cure. No other medicine for the cure of woman's peculiar ailments is backed by such a remarkable guarantee; no other medicine for woman's ills is possessed of the unparalleled curative properties that would warrant its manufacturers in making such an offer; no other remedy has such a record of cures on which to base such a remarkable offer.

Therefore, in having Dr. Pierce's Favorite Prescription and turn your back on any unscrupulous dealer who would insult your intelligence by attempting to foist upon you some inferior substitute, under the plea that "it is just as good." Insist on having the article which has a record of a third of a century of cures and which is backed by those willing to forfeit \$500 if they cannot cure you.

In cases attended by a leucorrhoeal drain a solution of Dr. Pierce's Lotion Tablets should be used conjointly with the use of the "Favorite Prescription." They are sold by all druggists, or sent post-paid to any address, on receipt of 25 cents in stamps. Send 31 cents in stamps for Dr. Pierce's Common Sense Medical Adviser. Address: Dr. J. C. R. Y. Pierce, Buffalo, N. Y.

Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private. Address: Dr. J. C. R. Y. Pierce, Buffalo, N. Y.

THE CLASH OF WAR.

Serious news has been received at Sofia from the frontier of fighting between Turkish and Bulgarian troops at Demir-Kapia, both sides sustaining losses. In official quarters all knowledge of the affair is denied, but the circumstantial details given seem to indicate that there is some foundation for the accounts of the conflict. According to one report, the Turks attacked the Bulgarian frontier post. Another version says the Turks pursued a number of refugees across the frontier.

It is asserted that the Turks have frequently attempted to provoke hostilities, firing into Bulgarian territory and crossing the frontier to steal horses and sheep. The War Office at Sofia is working at high pressure, and 24,000 recruits will be called out three months before the usual time.

Prince Ferdinand has sanctioned numerous other measures of a warlike nature. All the cavalry, with the exception of a single regiment, which is stationed at Sofia, has been sent into frontier districts, where are also strong forces of artillery. Vigorous efforts are being made to prevent bands from crossing into Turkish territory.

Dispatches from the frontier received at the revolutionary headquarters report that the refugees in the mountains are in a terrible condition through their pursuit by the Turks and cold and hunger. Many are dying. Measures are being taken to relieve the worst cases of suffering among the fugitives from the frontier districts.

From insurgent sources it is reported that the Bulgarian villages of Obidit and Kremen have been pillaged and burned. Many of their inhabitants were slaughtered. The Bulgarian quarter of Belitza is in flames. Seven hundred refugees from Belitza are reported to have been killed in a Turkish ambush near Samakoff, province of Kirk-Kilisee.

As an outcome of the conference between the Czar and Emperor Francis Joseph at Muerzsteg, the governments of Austria and Russia have sent identical telegrams to the ambassadors of those countries in Constantinople. These telegrams urge upon Turkey reform measures, charges the Porte with tardiness in entering upon such procedures, and calls especial attention to the outrages on the part of the Turks in their work of suppressing the Balkan insurrection.

ELEVEN PERSONS DROWNED.

During a squall Saturday night on Lake Michigan the steamer J. H. Hackley capsized and 11 persons were drowned. The Goodrich line steamer Sheboygan rescued the other seven persons on board the Hackley after they had drifted all night in Green Bay, clinging to bits of wreckage, and brought them to Fish Creek yesterday. The Hackley was struck by the squall when off Green Island, seven miles from Marinette, Wis. The upper work of the vessel was blown away and the boat then turned over and went down in deep water. As the Hackley went to the bottom, those who would and could seized on floating pieces of wreckage, while the women and three or four of the men, failing to find any object to which to cling, sank in the sea. The waves were rolling high and several of those who at first saved themselves from immediate death lost strength and sank. It was not until 7 o'clock yesterday morning that the steamer Sheboygan sighted the helpless survivors and effected their rescue. The rescued persons were so exhausted from their struggle against drowning that they were unable for some time to tell anything about the wreck. The persons saved by the Sheboygan say that with the crashing away of the upper work, all persons aboard the Hackley ran on deck. Hasty preparations for a plunge into the water were begun, but before any plans could be carried out the boat listed, turned over and went down like a rock.

MURDERED BY A NEGRO.—Robert Dalton Burdine, a well-known young man, was murdered, and W. D. Hayes, his cousin, probably fatally hurt in a fight with negroes on the river front at Louisville, Ky., yesterday afternoon. The young men, who are members of the Louisville Boat Club, left for a sail in the afternoon, accompanied by several fellow-members, and as they were passing Towhead Island, they were attacked by several negroes, who threw lumps of coal into the boat. The boat was tied up and its occupants started after the negroes, chasing them into a yard, where Will Fletcher, colored, seized an axe and, striking Burdine over the head, killed him instantly. Hayes attempted to secure the axe from the negro, but was assaulted from behind and badly injured. The police arrested four negroes, including Fletcher, although fully 20 were concerned in the assault.

BLEEDING LUNGS

Cured by Dr. Bull's Cough Syrup, the old reliable cough cure.
Wm. H. Breder, of Christie street, New York City, writes: "I have had a cough ever since my childhood. It was so bad that blood would spurt from my nose, which would leave me weak, so that I was often compelled to leave my work. Started to take and before the third bottle was finished my cough was entirely gone."
Dr. John W. Bull, who discovered Dr. Bull's Cough Syrup 50 years ago, was the most successful doctor for all throat and lung diseases the world has ever known. No other doctor has ever been able to devise a better formula. There is no case of throat or lung trouble which Dr. Bull's Cough Syrup will not cure.
